His name is written on our heads
It is covered on our hearts
Oh he has brought us .. his name as the Lord
Absolute salvation has a .. for all to see
Washing over all those who believe
The sins are singing holly to our eternal king
.. his name as the lord
Oh heavy take no more death ..
The lord has put our worries coming from the world
His beauty .. his name as the lord
And the birds are singing and the ,
To our sanctify lord will , from manner souls
And rise up to our king
As innocence smiling sweet
To our satisfied lord
As innocence smiling sweet
To our satisfied lord
