"The Love He Has Shown"

You showed his love and Calvary's hill
The love he has lived to soften sinners hearts
His message of hope his tears for the lost
The blood that he spilled
He showed us his love
He showed us he cares
He showed us he cares
He showed us he lives
The cross he chosen to bare
From darkness to night
From hill to the grave
From the grave to the sky
The resurrection and the life
He showed us his love
He showed us he cares
He showed us he lives
Oh the cross he chose to bare
Oh the cross he chose to bare
One day in glory
Lost in your theme
They stand in your ,. before I got a king
You shoed us your love
You showed us you care
You showed us your live
Oh the cross you chose to bare
Oh the cross you chose to bare
One day in glory lost in your theme
Face down in your throne girl
Before our God and king before our God and king
