You made my soul a burning fire  
You're getting to be my one desire  
You're getting to be all that matters to me  
And let me tell you girl, I hope and pray each day I live  
A little more love I'll have to give  
A little more love that's devoted and true  
'Cause all I do is think about you

All I do  
Oh baby  
Is think about you  
I think about you baby  
All I do  
Mmm  
Is think about you

Baby just suppose I should happen to cross your mind  
And by some chance, a boy like me you're really been  
trying to find  
Well let me tell you girl, think of how exciting it would  
be  
If you should discover you feel like me  
If you should discover this dream is for two

We'll I'm gonna tell you girl, I'd light a candle every day  
And pray that you'll always feel this way  
And pray that our love will forever be new  
'Cause all I do is think about you

All I do  
Oh baby  
Is think about you  
I think about you  
All I do  
Yeah, baby  
Is think about you

Gonna tell you girl, I'd light a candle every day  
And pray that you'll always feel this way  
And pray that our love will forever be new  
I'm gonna tell you girl, if I cannot have you for my own  
I'd rather be lonely and all alone

I'd rather keep thinking the way that I do  
'Cause all I do is think about you

All I do  
Oh baby  
Is think about you  
Think about you, baby  
All I do  
Ooh oh, baby

Is think about you  
I think about you baby  
All I do  
Yeah baby  
Is think about you  
Think about you baby

All I do  
Baby, baby, baby, baby, baby  
Is think about you  
All I do is think about you baby  
All I do is think about you  
I think about you baby  
All I do,  
Yeah, yeah  
Is think about you  
Oh baby, baby, baby

I'm thinking baby, 'bout you baby  
I'm thinking baby, 'bout you baby  
I'm thinking baby, give it to me baby  
I'm thinking baby, 'bout you baby  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah get on down

All I do  
Gotta get on down  
Is think about you  
Whoa, get on down  
All I do  
All I do is think about you baby  
Is think about you  
I think about you baby

All I do  
Oh baby  
Is think about you  
Can't you feel, can't you feel, can't you feel the fire  
burning?  
All I do  
Can't you feel the birds humming?  
Is think about you

Think about you baby  
Oh oh

All I do  
Can't you feel my love flowing?  
Can't you see my love growing?  
Is think about you  
Oh  
All I do is think about you
