Again I find myself on an empty road
Wondering why I feel like hell right now
Just like the way I felt back then
And I keep thinkin' I could die
If I could make you love me
If just for one night

'Cause you're my secret
Alone I see myself in you, lazy eye
I wake up, see you, standing in the doorway
You were crying, but I was only dreaming

On a day like today when there is nothing
Left for me to say
I look outside my window
And I pray for it to rain my pain away
And wonder why I keep you locked away
No one can find you
It's 'cause I'm lazy

'Cause you're my secret
Alone I see myself in you, lazy eye
I wake up, see you, standing in the doorway
You were crying, but I was only dreaming

You lazy eye
Lazy eye
Lazy eye

And you're my secret
Alone I see myself in you
I wake up, see you, standing in the doorway
You were crying, but I was only dreaming

And you're my secret
Alone I see myself in you, lazy eye
I wake up, see you, standing in the doorway
You were crying, but I was only dreaming

Lazy eye
Lazy eye
