Religion is killing all over the place,
everyone is striving to be the master race.
You fight for your freedom and you kill for peace,
but your whole damn cause is hypocrisy.

How many more must die?
How long until we realize?
Why must we all take sides?
?hat are we fighting for? We've lost all reason why.

Can't take your Holy War.
I don't need your bullshit,
I can't take it anymore!

F**K YOU!

I Hate You Hate We Hate War

What the hell are we fighting for?
Fight ?????? not war.

Thou shalt not kill
You didn't even abide by your own rules x2
Christ!

Can't take your Holy War.
I don't need your bullshit,
I can't take it anymore!

F**K YOU!

I Hate You Hate We Hate War
What the hell are we fighting for?
I Hate You Hate We Hate War
What the f**k are we fighting for!?!?!?!?!?
