Religion is killing all over the place
Everyone is striving to be the master race
You fight for your freedom and you kill for peace
but your whole damn cause is hypocrisy

How many more must die?
How long until we realize?
Why must we all take sides?
What are we fighting for we've lost all reason why?

Can't take your holy war
Tired of your bullshit
I can't take it anymore

Fuck you!

I hate you, hate, we hate war
What the hell are we fighting for?

Thou shall not kill
Can't even abide by your own rules
