Drink down that Gin and Kerosene,  
And come spit on bridges with me,  
Just to keep us warm  
Light a match to leave me be (light a match to leave me  
be.)

I keep my jealousy close 'cause,  
It's all mine.  
And if you say this makes you happy,  
Then I'm not the only one lying.

[Chorus: x2]  
Keep quiet,  
Nothing comes as easy as you.  
Can I lay in your bed all day?  
I'll be your best kept secret  
And your biggest mistake.  
The hand behind this pen relives a failure every day.

I keep my jealousy close 'cause,  
It's all mine.  
And if you say this makes you happy,  
Then I'm not the only one lying.

Drink down that Gin and Kerosene,  
And come spit on bridges with me,  
Just to keep us warm.  
Light a match to leave me be (light a match to leave me  
be.)

[Chorus x2]

So wear me like a locket around your throat.  
I'll weigh you down.  
I'll watch you choke.  
You look so good in blue.  
You look so good in blue.

[chorus x3]
