

## The Fall

### "Barmy"

Out of England, I dream of its creamery  
When I'm there I dwell on Saxony.  
In Turkey when I've been due to World War I  
Istanbul is the place 'cos of my birthday.

I am barmy  
Bleedin' barmy

I got everything  
I got everything I want except for hungry  
I got everything I want except for money.

I've got the best round set aside for parties  
They'll have one when I've gone  
In fact, they said so, good one.

I am barmy  
Bleedin' barmy

Friends disintegrate within circles of cash  
Residue after years of fab genius  
Is a pension for the jews  
and a medal from the company which I wiped my butt  
on  
and hung on a laburnum tree.

I am barmy  
Bleedin' barmy  
I am barmy  
Bleedin' barmy

Just call me the first  
[repeat 10 times]

I lay waiting hopefully on sloped grass green  
I am barmy, bleedin' barmy

A dramatic verse  
[repeat 3 times]

The programs lot

We break into tune  
Take and bring a word  
Ring a buzzer  
Take and bring a word ( " )

A dramatic verse
