[This song features two simultaneous vocal tracks along with a lot of intentionally annoying electronic sound effects --ed.]

[BRIX:]

Veins on leaves  
A cat of kings  
A mouthful of seed  
A strand of beads  
An hour of lust  
A bucket of trust  
It's time to rest  
My shiny things  
Pull them off  
Pull them off  
Pull them off of me

Little one, please don't cry  
Shiny things you just can't buy

Trying to fix  
Isn't broken  
Letting dust  
Inside old swings  
Turning to rust  
My shiny things  
Pull them off  
Pull them off  
Pull them off of me

Little one, please don't cry  
Shiny things you just can't buy

Trying to fix  
Isn't broken  
Locked in dust  
Insect wings  
Turning to rust  
My shiny things  
Turning to rust

My shiny things  
Pull them off  
Pull them off  
Pull them off of me

Little one, please don't dry  
Shiny things you just can't buy

[MARK:] Bonkers at Phoenix

You never know, though, eh? eh?  
That Glastonbury...  
Would all people who want  
Vegetarian burgers go on the left  
And those who want meat burgers on the right  
Carparking is available at Glastonbury Phoenix

Out of the back

You see me  
Naughty wicker man, oogie man  
You see me, oogie man  
M. Riley

You mood swing  
And from the day  
Angles with you

Bonkers at Phoenix
