Cabbing it uptown  
You're moving it uptown  
You taxi it uptown, uptown

And you're moving it southwest  
You're cabbing it uptown  
You're moving up sideways, sideways

And you're cabbing it uptown, uptown  
Cabbing it uptown, uptown

Your business friends  
Your business friend's Australian  
And when he comes, it's Gotterdamerung

But you're cabbing it uptown  
You're moving up south now  
You're moving it uptown, uptown  
Sideways, sideways  
[Incomprehensible]  
People going, people going  
Moving it uptown, uptown

And locked in the door bins  
Slowly, slowly  
Slowly, slowly  
Jump in, jump in

You're cabbing it uptown, uptown  
You're cabbing it uptown, uptown

But you know the best, Dan  
I dunno where I am  
I feel like crying

But cabbing it uptown  
You're moving up sideways  
You're moving up slowly, slowly  
You're cabbing it uptown, uptown

You'd better cab it up slowly

You'd better cab it up slowly  
You'd better cab it up slowly  
You'd better cab it up slowly

You'd better cab it up slowly  
You'd better cab it up slowly  
You'd better cab it up, cab it up, cab it up slowly  
Cab it up, cab it up, cab it up slowly

Moving in circles, circles  
A shepherd's bush man eats from a can  
He taxi it southwest, southwest  
He moving it uptown, uptown

Uptown, uptown

Cab it up, cab it up, you better cab it up slowly  
You'd better cab it up slowly  
You'd better taxi it slowly  
You'd better cab it slowly  
You'd better cab it up, cab it up, cab it up, cab it up

Jump in, jump in  
Jump in, jump in  
Michael, Michael
