Shout!

Here's a dance that is pure hell

Enter at your peril

Take five dead beat steps

Do a stroll

Act like you just got outta jail

You must be repellent

Dance dead beat descendant

Dead beat descendant

Shout!

Come back here

Come back here

Turn left shout and shout come back here

Then hot-tail it right outta there

You are now descendant

You are a now descendant

Dead beat descendant

Shout!

Make out your head is in a bell

And you got a man on your trail

And you are descendent, of a vicious criminal

Dead beat descendant's

Dawn!

Dawn!

Dawn!
