The minute I get out of my tent,  
My garden is covered with cement.  
The minute I went,  
And Radio One blasting outside.  
Asterisk.  
Twixt light and dark

He said I'm a handyman.  
He was a handyman.  
Hewas a handyman.  
He was handyman.

I said what you doing round that grave?  
Said I'm a handyman  
I saw you chatting to my wife  
Between the light and door.  
It was a handyman  
And the minute I got outta my tent....

Go out.  
Ha ha.  
Ha ha ha ha ha ha....  
They have cheese.  
Not me.  
It was a handy a-handy a-handy man

Conditions not good job  
You try and try to get under  
Just bang around  
Just bang around .  
Ha ha ha ha.

And it does not cut me down.  
And Sunday nights don't get out anymore.
