[first two lines whispered by Brix]

Don't call me darling

Don't call me darling

Harbouring on it

hates this

wants this

she hates this

>>Don't call me darling

>>Don't call me darling

>>Don't call me darling

>>Don't call me darling

The long black hair

of wretched blue bottle

darting all over

to no avail

I got zero tolerance

My head full

[I'll pack a wool swab]

>>Don't call me darling

>>Don't call me darling

>>Don't call me darling

>>Don't call me darling

People hate beauty

I cannot fathom it

They smell of old pally

voices thick with

Bouncing Jackson

with stupidity

>>Don't call me darling

>>Don't call me darling

>>Don't call me darling

>>Don't call me darling

[[Don't call me darling

Soon there will be dancing

around the queue strippy

high and cheap  
why do people hate beauty  
I cannot fathom it
