Get a hotel today.  
Go get a hotel today.  
Go get a hotel today.  
Before the idea slips away,  
Get a hotel.  
Go get a hotel today.  
That was the first question raised,  
There was a question raised.  
Get a hotel  
Wanna get in (x2)  
But this is not the place to bring it up  
Go get a hotel today(x2)  
Before the bike siren calls  
Times running  
Like butter dissolving  
Times running, time dissolving,  
Times running melting  
Times running passing  
Its running passing.  
Get a hotel today (x2)  
She says get a hotel  
Ne'er do well  
Get a hotel (x2)  
Before the bike siren calls  
And the horn siren yells  
It says  
Get a hotel (x2)  
You better  
Go get a hotel today (x2)  
Times running  
Times running passing  
Times running,  
Times running,  
It's running it's passing  
Like butter melting  
Times running, passing, it's running passing  
Like flesh cut melting  
It's running it's passing times running it's passing  
dissolving,  
I was eating gravel when two cars put in. (x2)  
Headlights dousing,

Broken warehouse;  
I just got out  
Dirt inhaled  
The cinders told me,  
Ya shoulda got a hotel.  
Go get a hotel today. x2  
Before the bike siren calls.  
And the blood-curdlers yell.  
Go get a hotel today.  
All thugs use the Burton ploy;  
The Lord acts  
Around my appeal.  
He says get a hotel.  
Shoulda!  
Go get a hotel today.  
Get a hotel.  
A little voice yells  
should of got a hotel.  
Get a hotel.  
Go a hotel today.  
Get a hotel,  
Get a hotel.
