Hilary  
Where's the sixty quid you borrowed off me for the  
gas?  
I won't give you a kiss  
Hilary  
Hey Hilary

'New Faces' on Saturday at six  
Brought you back to me

Hilary

I'm sure it was you in the new Audi  
Outside Sainsbury's

Hilary

Remember when you needed three caps of speed  
To get out of bed  
And now you're on ecstasy

Hilary

With your daft African pop  
And that wine you call bull's blood

Hilary

I thank the lord that you still don't live next to me

Hilary
