Hit!  
Hit the North (all estate agents...) Manacled to the cit...  
Those useless MPs  
Hit the North  
Manacled to the cit...  
Those useless MPs  
Hit the North  
Just savages  
All estate agents alive yell down the night in hysterical  
breath  
The government say, the government says  
Go forth, go forth  
With all the lights so pretty  
In the reflected mirror of delirium, Eastender and  
Victorian  
lager,  
the induced call, mysterious, comes forth - Hit the  
North
