Hit the North
My cat says wheeeee-ack
Hit the North
90% corn-pone and hayseed, guaranteed
Computers infest the hotels
Cops can't catch criminals
What the hell, they're not too bad
And we're just sssss
Hit the North
Will ya!
Manacled to the city, manacled to the city
Hit the North
Those big big big wide streets
Those useless MPs
Just savages, just savages
Hit the North
My cat says eeeee-ack
Hit the North
Manacled to the city
All estate agents alive yell down the night in hysterical
breath
And from the back of the third eye psyche the
inducement come forth
Hit the North
