A flat season - vision gone  
Picture frame it, and stay so long;  
My Aqua-cat is where it's at, new to mammal range  
Buy you know it would never suit, territories Alpine

In These TIMES - Meeowww  
In These Times - Fishcat Mother  
In This Time - Spectral Filter  
In These Times - A Feline Nutter

In these times;

A Man down South, he did go out, he did kill fifteen  
What the papers could not grasp or work out, was his  
life  
in a flea brain;

In These Times - Universal Tepid  
In These Times - Stagnant Mind  
In This Time - And in these times  
These Times - They're both the same

Diluted Jesuits pour out of mutual walkmans  
From Elland Road to Venice Pensions and down  
the Autobahns;

In This Time - If That's it I'm leaving  
In These Times - Leave this planet fast  
In These Times - It affects my sleeping  
In This Time - My dreams are one to miss  
Ones to be avoiding  
In times like this

I often hope in years ahead my gossamer front gates,  
will keep out the trash in which my psychic streets'  
emershed;

In These Times - Spectral Filter  
In These Times - In Your Midst  
In These Times - This song's a belter  
In This Time - For times like this

In These Times - I picture framed pre-teens, rap gangs  
with alsatians, onto hungry corners, I imagine beige  
masks in red peasantry, I made inquiries, Scapa flow  
steel became inexpensive

A first season - vision gone  
Picture frame it - and say so long  
They say 'Give up Buster' - Cram it clown  
Yeah I grow stronger, and break their mindszzzzzzzz
