All life was there
But the path disappears
I say to you
I say to you
All life was there
But lap disappears
Searches all the bins
On advice of P.C.
No luck did he

All life was there
But lap disappeared
Searches all the bins
Burning veins
Outside the B'n'B
Now takes two months
No joy has he
Has no family
Has no

I say to you
All life was there
Lap disappeared
Searches all the bins
Burning veins
Do not underrate what I say
And the intolerant
of laptop craze
A big creature will stalk you
And it will alliterate/illiterate and procreum

laptop ignorant
Everybody proclaims
Laptop ignorant

No luck has he
Keith Richards follows him
To his hotel stop

Laptop ignorant
