Light/fireworks

Cold, cold, you can't control  
[computer voice: Light up a cigarette, cos it might be  
your last.]

Fireworks, darkness  
Cascading with fireworks.  
Fireworks, can't read it  
Fireworks, can't fathom it  
Fireworks.  
Coming up to the dawn here  
What are those burnt embers  
It's fireworks, smouldering  
It's fireworks, cascading in the sky  
From 8 till 5 the morning,  
Fireworks  
Fear cracked, fear cracked  
Splitting Chinese sky open,  
Chinese sky at night  
Exploding trees at night  
Over rivers and bridges  
Fireworks  
Fireworks.  
Fear craft.
