Mother-sister!

Er, what's this song about?

Er, nothing.

None

No recipes

It was like a see-saw

No

It was like an up and down

Bye bye

Mother, Sister

Mother, Sister

Why did you put your head in?

Reach or preach

It's all a diminished return

Now

Floorboard

Creaks

Mother, Sister

Mother, Sister

Why did you push your head in?

Astray

Our Friends

And the fathers are underground

Your mouth is sold out

Mother, Sister

Mother, Sister

Why did you put your head in?

The pylon
