Man whose head:

A - Knew about politburo facade behind 'Kicker'

C - Who stole cafe's collection box

B - Who applied cut-up technique literally to himself

E - Who wore a red scarf to remind him of his fiancée

G - And visitor esoteric Japanese says analyser.  
Mr Alastair touched off the tragedy.

Taped voice, barely audible: 'You can tell by the way  
[...]

H - There's a clique that makes use of Lancastrian  
patronisation of vice.

Their rep Jim Davidson.

The love of Paris infects the Civil Service.

Lichen on the...N

I used to have this thing about Link Wray

I used to play him every Saturday

God bless Saturday

God bless Saturday
