

The Fall

"One Day"

When I first met you
You didn't go anywhere
'Cept for the drama corporation
Of co-op theatre

Skirting from a course
Bovver boots on
Vacuum breath equals
We never close

But one day you'll find out
That you lost a good man
And one day you'll wake up
And find you lost a good man

Transparent or not

You'll never see my like again
I'm talkin about me
No malice
So transparent

When he walks
When he walks again
All reduced to cost-price
Manual for deceit
Indiscriminate take out
Indiscriminate give out
We never close
Never ever close

You're a snake pit
And one of these days you'll find out
That you lost a good man
And one of these days you'll wake up
And find you lost a good man
