Well everybody's talking about the working man  
Nobody's talking about Rollin' Dany  
Rollin' Dany  
He was the rollin' man

Well Dan walked into the old dancehall  
Told the woman he loved 'em all  
Two six women did a dance and crawl  
And I'm-a telling ya man  
This cat'd fool 'em all

Rollin' Dany  
He was the rollin' man  
Go!

And three four five six cats linked up against the wall  
And m..m..mothers you dared the girls  
But if you loved ya women and ya loved 'em right  
Well I'm-a telling ya man  
They were in for a fight

From Rollin' Dany  
He was the rollin' man  
Go!

Well everybody's talking about the working man  
Nobody's talking about Rollin' Dany  
Rollin' Dany  
He was the rollin' man
