"SQUID LAW"

Good man, lend a hand
Help me to deal with some scum
Who are only in their late teens
But I hate their existence
They think 3 on 1
A normal thing
Network 7 encouraged them
But tonight they picked the wrong man

Squid Lord
Revenge
Vast
Just
His intelligence
Spreads

[Extra verse on Peel session:

Number One squat with grey turnup jeans
Stuck up white hairstyle
Obviously sheep shag mill town
Squid lord revenge
Just his intelligence vast]

The second one is a streak of piss
Leave me alone with him
His blindness will be fun
But it won't make a difference

Squid Lord
Vast
Just
His intelligence

The third one stood behind
Held my arms
But in the hospital
His bed will be in a draught
A geriatric germ-well
I curse his family and wish them poor
But he'll have time to dwell

On squid revenge, cooped-up
In 3 months of pure Hell

Squid Lord
Vast
Just
His tentacles
Spread

Good man, lend a hand
Help me clear this mess
Give me back the law it took from my life
Give me back the pride of my class
This scum are just a morass

Squid Lord
Revenge
Vast
Just
His intelligence
