I hear you Telephone Thing listening in
I hear you Telephone Thing listening in

How dare you assume I want to parlez-vous with you?
Sorry to be so short with you
But I'm tapped
But I'm tapped

I hear you Telephone Thing listening in
I hear you Telephone Thing listening in

The use of [...] and your smug advertisements
of your tendril ocean bed achievements does not
justify your abuse of privacy piracy act

I hear you Telephone Thing listening in
I feel you Telephone Thing listening in

How dare you assume I want to parlez-vous with you?
You Gretchen Franklin nosey matron thing

I hear you Telephone Thing listening in

Sense you

I hear you Telephone Thing listening in

How dare you assume I want to parlez-vous with you?
You Gretchen Franklin nosey matron type

Does the Home Secretary have the barest faintest
inkling of what's going down?

I hear you Telephone Thing listening in
I hear you Telephone Thing listening in

The use of [...] and your amug advertisements
Of your tendril ocean bed achievements does not
justify your abuse of privacy piracy act

I hear you Telephone Thing listening in

I do you Telephone Thing listening in

How dare you assume I want to parlez-vous with you
You Gretchen Franklin thing

I hear you Telephone Thing listening in

Sense you

I hear you Telephone Thing listening in

Sense you

I hear you Telephone Thing listening in
I hear you Telephone Thing listening in
I hear you Telephone Thing listening in

How dare you assume I want to parlez-vous with you?

I'm tapped

I hear you Telephone Thing listening in

I HEAR YOU TELEPHONE THING
