And who can ever forget this one?
Six times [...]
Six, four
Form [...] the and six
Form a boxline
The aphid
The aphid
Bend down
Scratch around the carpet for insect
Get hook clamp
Stand up
Gel frame
Put insect in a jar
The aphid
Walk back two, three and four
Stop for a rest
Go back to scratch
The aphid
Hook clamp
Go back down
Scratch around the floor
Take hook clamp and put in jar
The aphid
Cover up with gel frame
Take two times four o o o one
UV gun back
Go back to the floor
Scratch around
Five, six supplied
The aphid
Then right back
Form a boxline, sidecar
The aphid
Twenty times steps back
[...]
Get hook clamp
Turn to barn door
Retrieve kill frame
(Absolutely wonderful)
[Spoken, (not MES)]:
"Take six [...] and six back, stand up straight, then

bend down and
scratch the carpet for insects and, if you find any, put
the insects
into the jar, than
check the clamp on the jar and take six steps back.
Ensure the hook
clamp is on the jar and that's the aphid."
[The insect theme is common with the Fall. Other
songs with insect
references are Bug Day, Mollusc in Tyrol and Squid
Law.]
