There is no culture is my brag,  
Your taste for bullshit reveals a lust for a home of office

**THIS IS THE HOME OF THE VAIN!**

**THIS IS THE HOME OF THE VAIN!**

Where are the obligatory niggers?

**HEY THERE FUCKFACE!!**

**HEY THERE FUCKFACE!!**

There are twelve people in the world

The rest are paste

**THIS IS THE HOME OF THE VAIN!**

**THIS IS THE HOME OF THE VAIN!**

I just left the Hotel Amnesia, I had to go there

Where it is I can't remember,

But now I can remember...now I can remember

**HAFTA! HAFTA!**

**MESSAGE FOR YER! MESSAGE FOR YER!**

Too much reliance on girl here

On girls here, behind every shell-actor

Snobbier Snobbier

Too much romantic here

I destroy romantics, actors,

Kill it!

Kill it!

**KILL IT!**

**KILL IT!**

**KILL IT!**

You won't find anything more ridiculous, than this new profile  
razor unit, made with the highest British attention to the  
wrong detail, become obsolete units surrounded by hail.

**THE CLASSICAL!**

**THE CLASSICAL!**

**THE CLASSICAL!**

**HOTEL AGGRO!**

**MESSAGE FOR YER! MESSAGE FOR YER!**
