(Too many people penetratin) There's crafty people
Trynn work out the scene
(Findin' out) Nosin about & stickin
Their noses in

Rebel! x3

But she was the littlest rebel

Her blue suit is nylon weave
She wears jet black hi-heels
Throws whites down the well
She's the littlest rebel

Rebel! x3

But she was the littlest rebel

Their mentors jet past in NISSANS
Are those cars??!?
Are those shoes?!?!

She consigns them all to hell
She's the littlest rebel
Hips like Shirley Temple
She's the littlest rebel

THE LITTLEST REBEL (recorded version)

There's loads of people
Trying to suss out the scene
Sniffing about and sticking
Their noses in
Rebel
But she was the littlest rebel

Blue suit with nylon weave
She wears jet black high heels
She throws planks down the well

She's the littlest rebel
Rebel
But she was the littlest rebel

She consigns them all to hell
She's the littlest rebel

Her tormentors jet past in Nissans
She says are those cars?
Are those shoes?

She consigns them all to hell
She's the littlest rebel
Hips like Shirley Temple
She's the littlest rebel
And she doesn't kiss and tell
She's the littlest rebel
Rebel
But she was the littlest rebel

A sophisticate plays truant
She's the littlest rebel
And she doesn't kiss and tell
Cause she's the littlest rebel
Well she's the littlest rebel
Rebel
And she was the littlest rebel
