Falsifier, denier, go ahead and follow the herd  
Your greatest flaw is your uncertainty  
And your hesitance will leave you alone

Your ways will push me away  
The origins of your moral decay  
Sympathy for all your impurities  
May the heavens have mercy on you

And it's all in your hands  
To choose the right path

What I am, is something you'll never amount to be  
My qualities surpass your minds capacity

And it's all in your hands  
To choose the right path

Let this lesson be learned  
The weak will follow the herd  
Let this lesson be learned  
The weak will follow the herd

Weak

Falsifier, denier, go ahead and follow the herd  
Your greatest flaw is your uncertainty  
And your hesitance will leave you alone

Your ways will push me away  
The origins of your moral decay  
Sympathy for all your impurities  
May the heavens have mercy on you
