It's a graveyard of love  
Where the heart goes to die  
Where the grass is green and green  
Like the colour of my eyes

It's a strange kind of love  
When it hurts you all the time  
Don't you know you shouldn't feel that way  
Sullen little mind

You are the first thing I ever saw  
And you are the reason why I carry scars  
Let's sing together  
Like a choir, like a band  
I don't wanna feel alone  
Or feel as lonely as I really am

It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love,  
Of love

There is dust in my eyes  
There's a darkness in July  
Every day I hope to find someone who holds eternal  
light  
There's a hole in your chest  
Falling down from Everest  
You hold on to everything you can but what is really  
left?

You are the first thing I ever saw  
And you are the first one to break my heart  
Let's drink together  
For the woman, for the man  
I don't wanna feel alone  
Or feel as lonely as I really am

It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love,  
Of love  
Of love

It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love  
It's a graveyard of love,  
Of love  
Of love  
Of love  
Of love
