"Hey You"

Take my heart and take it fast
I don't ever want it back
Nothing good has ever come from it for you
Pleading for another chance
Don't you see that's what you get?
Take your life and run with it
Won't you?

Hey you
What's on your mind?
I can dig it out but I don't have time
Hey you
What's on your mind?
I can dig it out but I don't have time
I'm going somewhere and I'm leaving you here
I'm going somewhere and I'm leaving you here

You can't be another guy
Doesn't matter if you try
If we don't see eye to eye we're through
And I can't be another me
I tried and failed so miserably
There is nothing left to see for you

Hey you
What's on your mind?
I can dig it out but I don't have time
Hey you
What's on your mind?
I can dig it out but I don't have time
I'm going somewhere and I'm leaving you here
I'm going somewhere and I'm leaving you here
