(Verse 1)

Walking another day without you.
Watching the rain fall by myself.
I never believed in what you believed in.
But I sure believed in you, I believed in you.

(Chorus)

So good just to see you.
Now and again, the years have gone by.
But you cheated your word.
So good just to see you.
So good just to see you.
Yeah.

(Verse 2)

Found a photo hidden in a box
& did you find what you were looking for.
& everything with me has turned out fine.
But time to time I seem to think of you.

(Chorus)

So good just to see you.
Now and again, the years have gone by.
But you cheated your word.
So good just to see you.
So good just to see you.
Yeah.

(Solo)

(Pre Chorus)

Walking another day without you.
Watching the rain fall by myself.

(Chorus)

So good just to see you.
Now and again, the years have gone by.
But you cheated your word.
So good just to see you.
So good just to see you.
Yeah.
