Fighting the demons
Hiding within me
Fighting the demons
Hiding within me

Fighting the demons
Hiding within me
Fighting the demons
Hiding within me

Take away the madness
Killing me inside
Take away the nightmares
Before I lose my mind

Tranquilize me
Tranquilize me

Tranquilizer
Tranquilizer
Tranquilizer
Tranquilize me
Tranquilizer
Tranquilize me

I can't take the torture
I can't stop the pain
Take away the madness
Driving me insane
I can't stop the pressure
Building up inside
Take away the nightmares
Before I lose my mind

Tranquilize me
Tranquilize me

Tranquilizer, Tranquilizer
Tranquilize me
Tranquilizer, Tranquilizer
Tranquilize me

Can't escape reality
No place left to hide
Take away the madness
Before I lose my mind

Fighting the demons
Hiding within me
Fighting the demons
Hiding within me

Tranquilizer
Tranquilize me
Tranquilizer
Tranquilize me
Tranquilizer
