### "A Little Respect"

I tried to discover  
A little something to make me sweeter  
Oh baby refrain  
From breaking my heart

I'm so in love with you  
I'll be forever blue  
That you give me no reason  
You know you're making me work so hard

That you give me no  
That you give me no  
That you give me no  
That you give me no  
Soul, I hear you calling

Oh baby please, give a little respect  
to me...

And if I should falter  
Would you open your arms out to me  
We can make love not war  
And live with peace in our hearts

I'm so in love with you  
I'll be forever blue  
What will lead you no reason  
Could drive a man to forsake his lover

Don't you tell me no  
Don't you tell me no  
Don't you tell me no  
Don't you tell me no  
Soul, I hear you calling

Oh baby please, give a little respect  
to me...

I'm so in love with you  
I'll be forever blue  
That you give me no reason

You know you're making me work so hard

That you give me no  
That you give me no  
That you give me no  
That you give me no  
Soul, I hear you calling

Oh baby please, give a little respect  
to me...

I hear you calling

Oh baby please, give a little respect  
to me...
