You call yourself my friends  
You call yourself my buddies  
But I can't see where are you  
When I need you to shut up

So shut up  
Go and forget  
I will forget  
So shut up

Because if you don't I'll  
Kick your butt  
Fuck you up  
Rip and cut  
Eat your guts

Bring you down  
To the ground  
Make the sound  
Of teeth against the glass

I'm tired of so much gossip  
I can't stand any more objections to myself  
Try to see, this shit doesn't matter to me  
I'm just fed up by this stupid conversation

So shut up  
Go and forget  
I will forget  
So shut up  
Because if you don't I'll

Bring you down  
To the ground  
Make the sound  
Of teeth against the glass
