Oh I was moved by your screen dream
Celluloid pictures of living
Your death could not kill my love for you
Take two people romantic
Smoky nightclub situation
Your cigarette traces a ladder
Heres looking at you kid
Celebrate years
Heres looking at you kid
Wipe away tears
Long time since were together
Now I hope its forever

Ideal love flies away now
White jacket, black tie, wings too
You gave her away to the hero
Words dont express my meaning
Notes could not spell out the score
But finding not keepings the lesson
Heres looking at you kid
Hard to forget
Heres looking at you kid
At least not yet
Your memory stays
It lingers ever
Will fade away never
