This isn't no Godzilla flick,
This isn't no Godzilla flick.
People that you love,
are never going to say 'hello' again.
And it's only in the movies.

This isn't no Godzilla flick.
This isn't no Clint Eastwood flick.
People that you love,
Shouldn't take the life out of themselves.
And it's only in the movies.

This isn't no Godzilla flick.
This isn't no Godzilla flick.
This isn't no Godzilla flick.
And no this time I think it's really it.
And it's only in the movies.
