We hold our breath til the morning comes,  
The blast of sun shines through,  
But the night is hard and seems impossible,  
What else can we do?

Goin' On,  
Goin' On,  
Listen you'll hear it,  
We're getting near it,  
It's coming i can feel it,  
Cause i know you've gone away,

Listen you'll hear it,  
We're getting near it,  
I know i really fear it,  
But we pretend it another day,

Goin' On  
Goin' On  
Goin' On  
Goin' On

We tell ourselves it all just normal,  
Till the worst of it is gone,  
Then you give up,  
And you give out,  
And you just cant take it,  
How will we keep Goin' On?

Goin' On  
Goin' On  
Listen you'll hear it,  
We're getting near it,  
It's coming i can feel it,  
cause i know you've gone away,

Listen you'll hear it,  
We're getting near it,  
I know i really fear it,  
But we pretend it another day,

Goin' On  
Goin' On  
Goin' On  
Goin' On  
We're Goin' On
