In the morning I'd awake and I couldn't remember  
What is love and what is hate? - the calculations error  
Oh-oh-oh-oh-oh-what is love and what is hate?  
And why does it matter? - Is to love just a waste?  
How can it matter? Oh-oh-oh-oh-oh-oh; oh-oh-oh-oh-oh-  
oh.

As the dawn began to break - I had to surrender  
The universe will have its way - too powerful to master  
Oh-oh-oh-oh-oh-what is love and what is hate?  
And why does it matter? - Is to love just a waste?  
how can it matter? Oh-oh-oh-oh-oh-oh.
