Unit three thousand twenty one is warming
Makes a humming sound - when its circuits
Duplicate emotions - and a sense of coldness detaches
As it tries to comfort your sadness -

One more robot learns to be something more than
A machine - when it tries the way it does - make it seem
Like it can love -
Cause it's hard to say what's real - when you know the
Way you feel - is it wrong to think it's love
When it tries the way it does...

Feeling a synthetic kind of love
Dreaming a sympathetic wish -
As the lights blink faster and brighter -

One more robot learns to be something more than
A machine - when it tries the way it does - make it seem
Like it can love -
Cause it's hard to say what's real - when you know the
Way you feel - is it wrong to think it's love
When it tries the way it does...
