It's all a waste of time again  
She used to mow the lawn  
She always wasted everyone  
She always turned me on

Now she's turned a kind  
That isn't so much in demand  
And all us vegetables  
Can waste our time on someone else

She had a cool invisible  
Dog that she called Paul  
We'd always sit around her house  
Watchin' her feed the dog

Now she's got a man  
Who don't like dogs, who just likes cars  
She's just got a job  
'cause times got hard, so Paul is gone

Now she's turned a kind  
That isn't so much in demand  
All us vegetables  
Can waste our time on someone else

It's all a waste of time again (4x)
