When I walk with you, I feel weird.
When I talk with you, I feel weird.
When I'm standing here, I feel strange.
When you're standing near, I feel strange.

All that I know
is my mind is blown.
When I'm with you.

When I'm with you. x5
When I'm...

When you're touching me, I feel great.
When I'm touching you, hallucinate.
When I'm standing here, I feel strange.
When you're standing near, I feel strange.

All that I know
is my mind is blown.
When I'm with you.

When I'm with you. x5
When I'm...
