(Jimmie Dale Gilmore and John Reed)

Tonight I think I'm gonna go downtown.  
Tonight I think I'm gonna look around  
For something I couldn't see  
When this world was more real to me.  
Yeah tonight I think I'm gonna go downtown.

My love, my love has gone away.  
My love, my love what can I say.  
My love would never see  
That this world's just not real to me  
And tonight I think I'm gonna go downtown.

I told my love a thousand times  
That I can't say what's on my mind,  
But she would never see  
That this world's just not real to me  
And tonight I think I'm gonna go downtown.

Tonight I think I'm gonna go downtown.  
Tonight I think I'm gonna look around  
For something I couldn't see  
When this world was more real to me.  
Yeah tonight I think I'm gonna go downtown.
