I want your sex
And your lips
I'm gonna kiss 'em
And you love it so much
Ohh baby
We'll blow tonight

I want your nerves deep in my body
I'm gonna shock you like a panic attack
Ohoo baby
Tonight's the night

Chorus:

Can gimme some love
You can gimme some more
You can gimme some love
And I'll give you some more... x4

I want your hands over my skin
I'm gonna enjoy your finger
Searching a thing
Oh baby
We'll blow tonight

I want your juice
I make you sweat
I'm gonna drive you crazy
You bet for more

Oh baby
Tonight's the night
