You already know girl, I don't stay stationary
I'm on the move, yeah

[Hook]

She likes my conversation, the way I pop them pills
She said she never met a nigga that's so real like me
She said there's something bout you
That's different from the rest
She fell in love with my style
And said could you stay a while
So long, I got to go, up out of town
But I'll be back around
You know I stay waiting
So long, I got to go, go away
But I'll be back, another day
Cause a real nigga stay wigglin

Yeah, ah, my bitch abd lookin like a stack of hunned
While y'all was sittin on your ass, I was stackin
hunned
I make her suck the dick until the bitch vomit
Long strokin, I know she felt in the stomach
It's 4 in the morning and the party just started
Off 2 mollies, got me smokin like a marley
In a room full of bad bitches, instagraming flicks
Keep your bitch on a leash, if you wanna keep yoru
chick
I'll introduce her to the life, let her meet the click
It ain't no fun if the homies can't hit
This one night stand I can't lay with you bitch
I got an early flight baby I gotta get back to the chips,
gone!

She said there's something bout you
That's different from the rest
She fell in love with my style
And said could you stay a while
So long, I got to go, up out of town

But Iâ'll be back around
You know I stay waiting
So long, I got to go, go away
But Iâ'll be back, another day
Cause a real nigga stay wigglin

She was my down ass bitch, the one I called when I
need that
When we go out of town, she help me bring the money
back
And she ain't nothing like them other rats
I fuck her with conversation, yeah she like that
She taught me to have a little patience
And don't trust these hoes cause they got pretty
faces
And keep your eyes on these niggas, cause they wanna
be in your place
Morning, in and out of town, from studio to studio
Iâ'm getting to the money, I can't be caught up with
these stupid hoes
I can lead you to the water, but I can't make you drink
it
We need to quit talkin, when grown folks speaking
Thinking what you did got you itchin all weekend

Aâ'ight, hey look, I say I think about you when Iâ'm
riding dirty
Matter of fact, I think about you when it's bright and
early
I said I love you, before I left, I hope that you heard me
Just in case a nigga catch me slippin, run up and murk
me
Iâ'm on ag rind eryday lil baby that's clock work
Got you home wrappin gifts, baby that's block work
Loading up the pistols baby girl that's the flock work
Even flushin down the drugs when the cops swerk
Look, that's on my mama girl, I put nothin above you

Except my grind girl, money it's all that I fuck with
If I stay out late, you know I'm comin home rich
When I be thinkin bout the pussy I get home sick
Matter fact, I make a nigga say I'm gone quick
Call you on the phone and tell you how I'm gonn hit
But I can't cause I was bred to be a winner
If I don't grind, who gonn provide for the dinner,
argh!
