I've seen you everywhere, I know you know my face
Everytime I look at you my heart begins to race
Now I know it's time for me and you to just get together
Oh baby let me in, I'm freezing in this weather
I really want to kiss you
Don't you think it's time that we should be closer
And let me sooth your mind, your mind

Chorus:

Come to me, I want you baby
Come to me, I need you baby
Don't you think it's time
Come to me
Don't you think it's time

Everytime you walk by me I know you play the role
Oh baby let me in, and don't you be so cold
And if you say hello, I know I must be dreaming
Oh can't you hear my cries, my heart is really
screaming
I really want to kiss you
Don't you think it's time that we should be closer
And let me sooth your mind, your mind

Chorus (1x)

Ben a mi te quiero mi amor
Come to me, I want you baby
Don't you think it's time

Come to me
Won't you stop playing these games
Don't you, don't you think it's time

Te quiero

Chorus (1x)

Oh baby, come to me
I need you, can't you see
I want you here with me, yeah baby
