[Hook]

I don't wanna be the one, that have to show you
motherfucker how to get it done
But I'm back in the game yeah, back in the game
yeah,
But I'm back in the game yeah, back in the game
yeah,
I don't wanna be the one, that have to show you
motherfucker how to get it done
But I'm back in the game yeah, back in the game
yeah,
But I'm back in the game yeah, back in the game
yeah,

No work, you unemployed, I'm talking ...at the bitch,
I ain't said that boy
Boy, I'm old school in a rack top
Rolling, and you ain't even gotta ask
Money growing white hair like Matlock
Got strow back prop, curtesy of crack bop
I'm focused, and can't nobody tell me different
Fuck y'all for sniffing, how the fuck is y'all stay
distant
Raw paper I'm twisting, sky scraper I'm lifting
Hi hater, I'm getting it
You niggas tired as Michelin
I'm riding round with your missus
Burning loud, minding my bizness
Bitch weak like purple sprite, kush out with citrus, yes
Fuck the rap game, it's mob
You know my mo, og
Hibernating, low key, sean don, get rid of that old me,
nigga

[Hook]

I don't wanna be the one, that have to show you
motherfucker how to get it done
But I'm back in the game yeah, back in the game
yeah,
But I'm back in the game yeah, back in the game
yeah,

I don't wanna be the one, that have to show you
motherfucker how to get it done
But I'm back in the game yeah, back in the game
yeah,
But I'm back in the game yeah, back in the game
yeah,

Ok bitch, your baby daddy know just what it is
So tell him keep it on the cool and go and mind his bizz
Several oz of that cane, bitch I'm back in the game
Never told on a nigga, you can throw dirt on my name
Gotta play with the flow a little bit, and even if I did it
bitch, I'm still innocent
Light a couple smile goods cause I'm in the scent
And you ain't pimping my nigga, I know you've been
a simp
I'm on the Wesson with my nigga fash, grizzly city
getting cash,
Bitch you see them tags
Got the game in the choke, I be rolling up dope
That high grade marijuana, that's all of that smoke,
word

[Hook]

I don't wanna be the one, that have to show you
motherfucker how to get it done
But I'm back in the game yeah, back in the game
yeah,
But I'm back in the game yeah, back in the game
yeah,
I don't wanna be the one, that have to show you
motherfucker how to get it done
But I'm back in the game yeah, back in the game
yeah,
But I'm back in the game yeah, back in the game
yeah,

I swear my custom is to come on back
Fuck it, tell papi I need another batch
G's on your head, if one of you fuckers rat
Couple stacks, get your mother snatch
Fitted cap, yeah, match my lumberjack
Louie house shoes while I'm shooting craps
White girl on the track, I'm will I am
Surround rap in the ceiling fans
Raps ain't enough, I need millions man
Stacks, I'll show you youngings how to build a brand
Just follow my moves, don dada I'm glued
To my dollars I do, what I gotta confuse
Me with no nigga, banana clips for these gorillas
I'm so menace, on my cachy shorts...gang ganging

we go hardÂ... your boulevard

[Hook]

I don't wanna be the one, that have to show you
motherfucker how to get it done

But I'm back in the game yeah, back in the game
yeah,

But I'm back in the game yeah, back in the game
yeah,

I don't wanna be the one, that have to show you
motherfucker how to get it done

But I'm back in the game yeah, back in the game
yeah,

But I'm back in the game yeah, back in the game yeah
