Artist: Fashion Hardon

+Song: "Angry Youth"

(Chorus)

We're the angry youth

We're seeking proof

We can't believe

If we haven't seen

We cry alone

In broken homes

This little piece

Might set you free

YEAH YEAH

YEAH YEAH

No, no, no

(Verse 1)

Energy release, I'm okay

Homeless on the streets

Spare some change

Flyin' like an eagle, I sail away

Rather you not speak

Than lie to me

Practice what u preach

U wanna be

I'm in luck with freedom

I pen these words

YEAH YEAH

YEAH YEAH

YEAH YEAH

(Chorus)

We're the angry youth

We're seekin' proof

We can't believe

If we haven't seen

We cry alone

In broken homes

This little piece

Might set you free

YEAH YEAH

YEAH YEAH
YEAH YEAH
No, no, no

(Verse 2)
Losers talking shit
Cheat their breath
Stole away their ship
Leave them dead
Clothing price enabled
To entertain
Telling lies on cable
To keep you sane
YEAH YEAH
YEAH YEAH
YEAH YEAH

(Chorus)
We're the angry youth
We're seeking proof
We can't believe
If we haven't seen
We cry alone
In broken homes
This little piece
Might set you free

(Outro)
YEAH YEAH
YEAH YEAH
YEAH YEAH
No, no, no

We're the angry youth
We're the angry youth
We're the angry youth
