He said I'm not
Who you think I am
I carry power
I'm a saviour
Tomorrow will show
Tomorrow the world will know
The world will know

He said something
Just has to be done
Then silence
This is senseless
This is madness
This time it happens
This time it happens
It happens
It happens
It happens

Mother divine
Mother divine
Why have you left
This land here

He said I wanna tell you about wrong and right
Showed me pictures
I sat there for hours
Felt forced to agree

I thought this time
It happens
This time it happens
It happens

Before he put on
His shoes he said
Don't you worry
I hold the answer
I hold the answer
Tomorrow the world will know
The world will know

Yeah, the world will know

Mother divine
Mother divine
Why have you left
This land here

He said I can't care
For anyone if he don't
Care for me
Without him I'm nothing
I'm nothing
I'm nothing
I'm nothing
At all
